**EMI PORTA will not guarantee that a gate will fit the cab opening if the given dimensions are not measured exactly as described above.**

Additional Notes:

--

# Guide for Gate Measuring

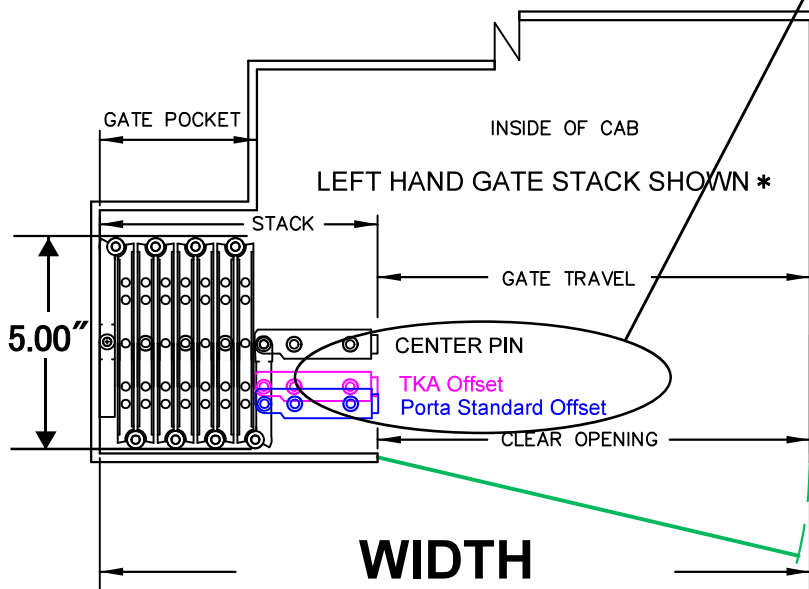

Gates are manufactured to fit the cab opening. Precise measurements will insure a proper fit.

- Gates are made to order & not returnable.
- Measure twice, cut once.
- Only count full size panels.
- Call us if you have any questions: 847-593-4900

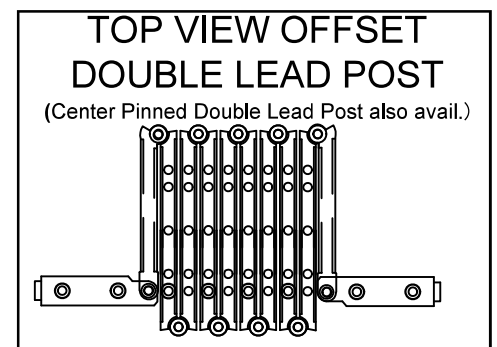

## HEIGHT Required Height Measurement:

Top of the Track to Top of the Sill

## Roller/Pin Positions:

Center of a full size panel or Offset towards the hoistway.

**Required Width Measurement:**  
From where the gate is permanently mounted to the opposite side/strike

## Gate Handing:

Viewed from outside of the cab looking into the cab.
